HISTORY OF THE COLLEGE

Established in 1879, Bethune College is eponymous with generations of educated, enlightened and empowered women who have excelled in every sphere. Starting with the first women graduates of the University of Calcutta, Chandramukhi Basu and Kadambini Ganguly who went on to become the first Indian female Principal of Bethune College and the first practicing female doctor respectively, the institution has been the one of the flagship colleges of the Government of West Bengal in terms of quality driven education.

The college has been twice accredited with the 'A' Grade by NAAC. Recently the institution was ranked 50th at the national level and 5th at the state level by the National Institute Ranking Framework (NIRF). This also made it the only Government college in West Bengal to feature within top 100 colleges of the country.

The college boasts of alumna like Pritilata Waddadar, the celebrated revolutionary and Dr. Ashima Chatterjee, the renowned scientist. In the recent past, students like Dr. Aditi Sen De, the Shanti Swarup Bhatnagar award winner, Dr. Nina Gupta, a mathematical prodigy who solved the unresolved 'Zariski Cancellation Problem' and Priyadarshini Das, national level table tennis player who is ranked 6th as per Table Tennis Federation of India in the Youth Women Table Tennis Players category, have made the college very proud.

The college also boasts of eminent and erudite scholars who served in the capacity of lecturers at different times. Among the luminaries we have Baboo Shashi Bhushan Dutt, Kamini Ray, Krishna Chandra Bhattacharya and Sri Gopinath Bhattacharya, Sri Sushobhan Sarkar and many others. Stalwarts like Sir Ashutosh Mukherjee, Lady Abala Basu, Sri Radha Binode Pal have served as committee members of the Governing Body of the college at different times. Today the college has a dedicated team of teachers who consistently upgrade and update themselves through active participation in research, publications, seminars and workshops.

The earliest Honours Courses offered in the college under the regulation of the University of Calcutta were in English and Sanskrit in 1917. In 1923, the college got affiliation at the I.Sc. level and Mathematics and Philosophy were added to the list of Honours subjects. Today, the college has affiliation in 16 Honours subjects, and 6 Post Graduate courses.

Bethune College has a record of consistent and excellent academic results. Many students, since the inception of the college, have topped University merit lists and won many medals and honours from the University. During the session 2018-19 as many as 126 students obtained First Class marks. Special mention must also be made of 34 of our students who secured ranks at the university level in the B.A. / B. Sc Honours Final Examination 2018.

The college has received a grant from DST-FIST that provides aids to strengthen teaching and research facilities in all science departments of the college, especially in Postgraduate Departments. In addition to that, the college has also received a considerable amount under the Rashtriya Uchchatar Shiksha Abhiyan (RUSA). Bethune College is the foremost among the colleges in West Bengal to have been selected for this programme.

With the present total roll strength (Arts and Science together) approximately 1300 and the number of sanctioned posts in teaching at 115, Bethune College continues its journey as the pioneer institution of women's education, spanning a period of 140 years.

FROM THE PRINCIPAL'S DESK

Set up in 1879 Bethune College has an illustrious history and a record of all round excellence in the contemporary scenario of higher education in India. The college produced the first two lady graduates of the entire British India – Prof. Chandramukhi Basu and Dr. Kadambini Basu (Ganguly). Even today these two outstanding women symbolize the mission and vision of Bethune College. In those days of purdah, they demolished all barriers with conviction and determination and excelled in their respective professions. Dr. Kadambini Ganguly eventually became one of the leading medical practitioners of her time in a completely male-dominated world and Prof. Chandramukhi Basu took the chair of the first Principal of Bethune College and toiled to place the college in the right track of imparting empowering education aimed to ensure true freedom of women.

All through these years the sustained and successful endeavour of generations of committed teachers and talented students for academic excellence in a rapidly changing world scenario of higher education, has earned this college a unique place in women's education of India. The success stories of numerous students of this college in different walks of life and in different corners of the world testify to this. The college has been twice assessed and accredited with Grade A by the NAAC. It has also been recognized by the UGC as a College with Potential for Excellence. In 2019 the College has been ranked 50th in the College Category under the National Institutional Ranking Framework (NIRF). The Department of Science & Technology, Govt. of India, has extended handsome financial support to most of the science departments under its prestigious DST-FIST programme. Presently the college is also successfully implementing various upgradation projects under the Rashtriya Uchchatar Shiksha Abhiyan (RUSA).

The college, affiliated to the Calcutta University, meets multifarious academic demands of students by offering quality education at most affordable cost in sixteen UG honours courses and six autonomous PG courses in the faculties of Science and Humanities. For making the students proficient in ICT, a diploma course in PC Application is conducted under the aegis of the WEBEL Informatics Ltd.

The college follows a totally transparent and free of bias admission policy in which merit is the only criterion for selection. Our students are nurtured and mentored by a set of brilliant teachers who are simultaneously engaged in high quality research. Among the UG colleges of our country this is one of the few that provide open access library facilities to students.

On behalf of all teachers and non-teaching staff members of Bethune College, I invite all eligible meritorious students including those from the poorest families to take admission in this college. The college takes every care to process large number of scholarships funded by the Govt. of West Bengal, Union Govt. and various other agencies. Special mention must be made of the meticulous effort of our teaching and non-teaching staff because of which a large number of poor girl students have received monetary support under the Kanyashri Prakalpa of the Govt. of West Bengal. Also every year many students are routinely provided monetary help from the Students' Aid Fund sustained by regular contribution of the teachers. We reiterate that historically in the premises of Bethune College lack of money has never been a constraint for the pursuit of quality higher education. I am confident that all stakeholders of this historic college will ever remain committed to the legacy of high standard of holistic and empowering education for which Bethune College enjoys international reputation. This campus teaches the students how to become meaningfully competent, efficient, hardworking, disciplined and productively innovative while inculcating the fundamental values and virtues of good human beings. I invite all students and guardians to visit our website www.bethunecollege.ac.in for remaining continuously connected to the college affairs.

Principal

PROFILE OF THE COLLEGE

Location

The college is located in a prime position, in the heart of North Kolkata, situated opposite to Hedua (now known as Azad Hind Bagh) and is accessible by public transport. One can also reach the college by Metro railway. The college is a five minutes' walk from Girish Park Metro Rail Station.

Infrastructure

The Principal's chamber and the College office have been located in the ground floor of the oldest Heritage building for the past 140 years. The first floor houses the department of Economics. The latest addition to the Heritage building is a state-of-the-art Seminar Room funded by RUSA.

VIDYASAGAR BHAVAN, the renovated and renamed Christ Church Building with its large rooms, high ceilings, wooden staircases and balconies, is also a Heritage building. The Departments of English, Bengali, Sanskrit, Hindi, Political Science, History, Philosophy, Mathematics, Computer Science, Laboratories of Physics & the office of Alumni Association are housed in this building. The Annexe building houses Statistics Department on the first floor and Computer Laboratory, Sports Room on the ground floor in addition to several class rooms.

CHANDRAMUKHI BHAVAN is the science building of the college, accommodating the departments of Physics, Chemistry, Botany and Zoology. It was inaugurated in 1961 by Prof. Satyendra Nath Bose and is situated just beside the Centenary Building (Kadambini Bhavan).

During the centenary year of the College, KADAMBINI BHAVAN (a four storied building with a multipurpose hall) was constructed to accommodate the increasing number of students and subjects. At present, this building houses the Psychology Department, Arts Library, part of the Chemistry Department and part of Postgraduate Laboratories of the Zoology and Botany Departments. The Centenary Hall on the first floor is used to hold examinations and other important gatherings like Seminars and Workshops. Two classrooms - one in Vidyasagar Bhavan

and another one in Kadambini Bhavan - have been upgraded to smart classrooms for facilitating teaching - learning process. Recently the college has also undertaken the light vertical extension of Kadambini Bhavan.

In the year 2010, a renovated three storied building named PRITILATA BHAVAN was inaugurated in commemoration of the birth centenary of Smt. Pritilata Waddar, the renowned freedom fighter, who was a student of this college. This building provides rooms for English, Bengali and Mathematics Post-Graduate classes, one laboratory for Botany and one for Zoology Department. Moreover, this building has two Multifacility Centres for Science and Arts each, meant for interdisciplinary research purpose.

A newly constructed building beside the Chandramukhi Bhavan houses the Science Library and also an auditorium that was inaugurated by the Hon'ble Minister-in-Charge, Department of Higher Education and Parliamentary Affairs, Dr. Partha Chattopadhyay on the Annual Prize Day this year. Among the recently inaugurated infrastructural facilities are the Nivedita Prayer Hall cum Classroom, a lift and a ramp for the physically challenged students at Kadambini Bhavan.

CCTV surveillance has been arranged in the college for security purposes.

Departments

The College has 17 undergraduate departments combining both the Arts and Science faculties where Honours courses (except in Women's Studies) and associated generic elective courses are taught. No independent general course curriculum is offered to students. Six of these departments – namely Bengali, English, Mathematics, Botany, Zoology and Psychology – also conduct Post-Graduate courses affiliated to the University of Calcutta.

Bethune College Sammilani (Alumni Association)

The Alumni Association of Bethune College, which is now a registered body, was established by G.M Wright, the then Principal of the college, on 3rd September, 1921. This is the

oldest Alumni Association among all Government colleges in West Bengal. This Alumni Association is run by an Executive Council elected by the members themselves. A unique feature of Bethune College Sammilani is that not only the past students but also the present and past teachers are eligible for membership. Their association with Bethune College often spans their entire student and teaching life.

The Annual Reunion of the College, the prestigious Mrinalini Emerson Memorial Lecture and various cultural and educational programmes are among the activities of the alumni association. The association also participates in various social service programmes. Every year an interactive session between the alumnae and first year students is organized by the College.

The Alumni Association has a website (www.bethunex.org.in) where all the relevant information regarding its members and other activities are available.

Governing Body

In accordance with the Government rules, Bethune College has a Governing Body constituted by nominees from the Government of West Bengal, Calcutta University, teaching staff, non-teaching staff and students. The Body meets at regular intervals and their guidance helps the smooth running of the college administration and the welfare of students.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell of Bethune College which was formed in 2006 after NAAC accreditation has been reconstituted following UGC guidelines. It is an active body that conducts academic audit of the Departments annually, based on the feedback received from the final year students on various academic and administrative issues. Besides this, the cell also prepares the Annual Quality Assurance Report (AQAR) that is sent to NAAC.

Women's Studies Centre

The Women's Studies Centre of Bethune College was inaugurated on 29th January, 2010, under the approval of the 11th Plan of the UGC. The Centre organizes workshops related to the objective of the upliftment of women and maintains a record of archival work in this regard. The College has introduced Women's Studies as a subsidiary subject since the year 2012. The Centre recently organized a national level seminar in the College campus.

College Publications

Heritage: The multidisciplinary journal of Bethune College, *Heritage* (ISSN 2349-9583) is published annually since 2014. The journal covers a diverse range of subjects catering to an eclectic readership and is exceptionally suited to the needs of academic research and praxis. It has a dedicated webpage accessible from the college website where all information regarding the journal is available. The

Dignitaries with Principal during the Inaugural session of Sampriti Saptaha

fifth volume of the journal was formally released on 30th January, 2019.

Among other prestigious publications by the College, worth mentioning is a commemorative volume titled *Mahashweta Nivedita* containing critical essays and articles on Sister Nivedita collated from the lectures delivered during the year long celebrations of her Sesquicentennial Anniversary organized by the college. Recently the College also brought out a revised second edition of *In the Footsteps of Chandramukhi*, a commemorative volume which was published to mark the completion of the 125th year of the College.

Adiganta: The College Magazine *Adiganta* containing contribution from students as well as faculty members is published annually. The latest issue of *Adiganta* for the session 2017-18 was dedicated to the celebration of 50 years of India's independence.

Internal Complaints Committee

The college has an Internal Complaints Committee constituted according to UGC Notification (Prevention, Prohibition and Redressal of Sexual Harassment of women employees and students in higher educational Institutions Regulations, 2015) to prevent and take appropriate action against sexual harassment of women in the institution. This

committee headed by the Principal has both male and female representatives from teaching as well as non-teaching staff and also student representatives.

TEACHING FELLOWSHIPS

Tarak Sudha Fellowship

The family of an ex-student, Sm. Sudhalata Sarkar has instituted "Tarak Sudha Endowment Fund" at Bethune College from 2004 from which two Fellowships, one in Computer Science and one in Mathematics, are awarded to support duly qualified scholars who act as full-time teachers in Bethune College.

Jyotsnamoyee Dey Fellowship

Jyotsnamoyee Dey Endowment Fund was created in 2006 through the generous donation of Shri Amit Dey, the son of an alumna of the college, late Jyotsnamoyee Dey. This fund was created for one teaching Fellowship in Computer Science and two in the Mathematics Department.

Jyotsnamoyee Dey Professorship Fund

In addition to the above mentioned Fellowships, Shri Amit Dey has created Jyotsnamoyee Dey Professorship Fund in 2009, to support two Professor posts for post graduate teaching in the Department of Mathematics.

❖ Outline of Choice Based Credit System

A) **Core Course (CC)** : In B.A. /B.Sc. (Honours) programme a student shall have to compulsorily study a total of 14 Core courses of the Honours Subject in 6 semesters.

B) **Elective Courses** :

i) **Discipline Specific Elective (DSE) Course** : In case of B.A./B.Sc. (Honours) programme a student shall have to study **4 DSE courses** strictly on the Honours subject.

Each Honours subject shall have two groups (A&B) of DSE papers. A student shall choose any one paper from each of Group A and Group B in fifth semester and sixth semester.

♦ **Dissertation/Project**: A dissertation/ project work may be given in lieu of one Discipline Specific Elective paper.

ii) **Generic Elective (GE) Course**: An elective course chosen from a different subject, with an intention to seek wide exposure, is called Generic Elective.

In case of B.A./B.Sc. (Honours) programme, a student shall have to choose **4 Generic Elective (GE) courses** strictly from 2 subjects of choice taking exactly two courses from each subject as specified for first 4 semesters.

C) **Ability Enhancement Courses (AEC)** : The Ability Enhancement Courses (AEC) may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC).

a) **Ability Enhancement Compulsory Courses (AECC)**: AECC courses are the courses based upon the content that leads to Knowledge enhancement. These are mandatory for all disciplines.

i) AECC1: Communicative English / MIL (Bengali/Hindi); - in 1st Semester

ii) AECC2: Environmental Studies – in 2nd Semester

b) **Skill Enhancement Courses (SEC)**: These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and are aimed at providing competencies, skills, etc.

In case of B.A./B.Sc. (Honours) programme a student shall have to study 2 skill enhancement courses (SEC) strictly on the Honours subject. Such a student shall have to study the curriculum of SEC on the Honours subject concerned as specified for the relevant semester, i.e., SEC-A in the 3rd semester and SEC-B in the 4th semester.

★ **Practical/Tutorial**: Every Core(CC), Discipline Specific Elective (DSE) and Generic Elective (GE) Course shall have a Practical/Tutorial component. Wherever there is a practical, there will be no Tutorial and vice-versa.

CERTIFICATE COURSES FOR U.G. STUDENTS

Computer Training Course

A DIPLOMA IN PC APPLICATION course (Optional) of 150 hours is held within college campus for all students, in collaboration with WEBEL INFORMATICS LTD (Under Dept of Information Technology, Govt of West Bengal). All students are advised to take admission in this course.

The course has been subjected to regular review to suit the requirements of the students. Separate syllabi for the Humanities and the Science disciplines have been framed, so that every student graduating from this college is ready with a COMPUTER DIPLOMA. A nominal fee of Rs. 1200 per annum i.e Rs. 2400 for the entire course is charged per student.

The motivation behind running this course is to give students proper grounding in the versatile use of computers against minimum effort and expense. For Humanities students, the course enhances skills for further career advancement in the field of creativity, widening future career options. For Science students, the course is preparatory for portions of degree syllabi involving computer programming.

Ethics and Value Education

Bethune College has introduced a compulsory certificate course for the first year students, both Arts and Science from the session 2005-2006. The objective of this course is to create awareness and conviction in and commitment of the students to social and moral values, for improving the quality of life through education. The content of the course has been designed in the light of Indian and Western Ethics and social realities.

The duration of the course is one year which is applicable for the students of first and second semester. Three to four lectures are annually arranged and the course being interdisciplinary in character, the resource persons also belong to different disciplines.

A certificate is given to the students on completion of the course.

Post Graduate Department of Zoology

The Department of Zoology in Bethune College, started its triumph with undergraduate course since 1952 and started its Post Graduate teaching since 2005. At present, a three year degree course B.Sc. (Honours) under CBCS (six semesters) and a two year M.Sc. Course (four semesters) under CBCS are conducted under University of Calcutta. The faculty comprises eight Full time Associate and Assistant Professor having expertise in various branches of Zoology and Invited Teachers from different reputed Universities and Institutes.

The Department is furnished with two general and four Research cum special paper laboratories and a central Instrumentation room equipped with a number of sophisticated instruments like PCR, ELISA reader, spectrophotometer, cold centrifuge, B.O.D. shaker incubator etc. The Department does also have one Animal Room, one enriched Museum and Departmental Library along with classrooms studded with modern teaching aids like LCD and overhead projectors. Computer facility with

internet and OPAC are also available. There is a Multi facility Centre for Science in the College for research purpose, for both the teachers as well as students and Research Scholars. Some on-going projects are also there.

Regular excursions and field trips are arranged by the Department as per curriculum.

Departments use to organize seminars for interactive teaching. The Post Graduate students are provided with opportunity to do in-house projects which motivate them to pursue higher research after passing the Final Examination. The students are given scope to opt for any of the modern elective subjects - Genetics, Parasitology and Immunology, Ecology and Entomology.

The students of the department do pretty well in University Examinations beside being University rank holders. A good number of students have qualified in various competitive Examinations including NET, SET, GATE in recent Past and current year.

Post Graduate Department of Botany

The Department of Botany in Bethune College started two years Post Graduate teaching since 2005 with affiliation from University of Calcutta. The annual system has been transformed to Semester system since the academic session 2015-16. From the session 2018-19 the PG course has been undertaken directly by the University of Calcutta and the present intake capacity for student is Twenty-one. The faculty comprises of 8 full time Associate and Assistant Professors having expertise in different sub-branches of Botany and 9 Guest Teachers from different reputed Universities, Colleges and Institutes.

The duration of the course shall be two academic years and the examination for the M.Sc degree in Botany shall be held in four semesters over a total of 1000 marks. The duration of the semester shall be as follows:

The department is funded by RUSA and DST-FIST and is well equipped with a number of sophisticated instruments like PCR, UV-Vis Spectrophotometer, Gel documentation system, Cold centrifuge, Transilluminator, B.O.D. Shaker incubator, Hot-air oven, Laminar air flow, Double distillation plant, Trinocular research microscope with photographic attachment etc. There are general and special laboratories,

seminar library and book bank. The classrooms are provided with LCD and overhead projectors. A Herbarium with plant specimens belonging to more than 100 families of Angiosperms and a medicinal garden consisting of about 50 plant species are the assets of the department. Students also take part in educational activities like Mushroom cultivation, planting and maintenance of rare plant species, participation in science exhibitions etc. as guided by eminent teachers. The teachers carry out research projects funded by different agencies. The students can avail computer facilities with internet for study purposes. Every year the department organizes educational tours for the PG and UG students as a part of the course curriculum. Seminars and workshops are regularly organized by the department for interactive teaching.

The students do commendably well in University examinations and are often rank holders. Most students pass out with first class degree in M.Sc examinations as well as qualify for various competitive examinations like NET, GATE and RET. Students have been recipients of various scholarships and prizes. The Department provides constant support to the students to pursue a career in higher education and research both in India and abroad.

2nd Sanghamitra Sanyal Memorial Lecture organised by Botany Department, 2019

Post Graduate Department of Mathematics

The Post Graduate Department of Mathematics at Bethune College, Kolkata started in 2007. Eminent scholars like Professor M. K. Sen, Professor Shobhakar Ganguly, Late Professor Jyoti Das and Late Professor Somesh Bagchi extended their hands of cooperation to the PG Department in its formative stage. Presently 21 teachers are engaged in the Department in different capacities, including full-time teachers and distinguished retired professors from Calcutta University, Jadavpur University, Burdwan University, North Bengal University and Indian Statistical Institute. Two teachers retired from the Department have extended their help in conducting classes on honorary basis.

The Department offers a two-year four-semester (CBCS) M.Sc. course affiliated to the Department of Pure Mathematics, University of Calcutta. With admitting capacity at 16, the Department has a very high teacher-student ratio. The M.Sc. syllabus includes vocational papers like Actuarial Sciences, upcoming subjects like Dynamical Systems, Computer Programming and Problem

solving through MATLAB and C++ in its curriculum. Eight elective papers are offered in the course, which are all very modern. The Department is well-equipped with mathematical-computational laboratories (one funded by DST-FIST) and modern tools including smart classroom-cum-gallery for organizing seminars and interactive sessions. The students are guided for their final dissertations in various upcoming and application-based topics from Pure and Applied Mathematics. The students visit state and national level institutes and libraries in and around Kolkata for their work. The main aim of the dissertation projects remains motivation of students towards independent research. The teachers also offered Ph.D. guidance under the Department of Pure Mathematics, C.U.

Being a part of the Department has always been very encouraging and advantageous and it remains a landmark in the career of its students.

Post Graduate Department of English

The post-graduate section of the Department of English started its journey in 2007, following the recommendations of the NAAC peer team in 2006. Under the guidance of eminent subject experts Prof. Jharna Sanyal, Prof Supriya Chaudhuri, Prof. Krishna Sen and others, the syllabus and other modalities of the autonomous course, affiliated to Calcutta University, were finalised. The Department is proud of its successful administration of the autonomous post-graduate course till date. With the introduction of the CBCS system in 2018, the department meticulously follows the syllabus and examination pattern set by the affiliating University.

The department boasts of very good results in the first semester under the new system, where examinations and evaluation are centrally conducted. Apart from departmental teachers, noted teachers from other institutions are invited to deliver special lectures for the benefit of students. There are sixteen seats for this course.

The department of English of Bethune College has a glorious tradition in the teaching of literature which includes eminent teachers like Prof. Sujata Chaudhuri, Prof. Shanta Mahalonobis, Prof, Ishita Dutta and others. The present teaching strength comprises five full-time teachers, and one government-approved guest teacher.

There is a departmental seminar library, apart from the central library of the college, for the exclusive use of postgraduate students.

Audio-visual aids are available to students and teachers make full use of these in conducting the course.

Students are offered choices for optional papers and arrangements are made for adequate guidance.

It is a matter of pride that many of our undergraduate pass outs opt for their postgraduate studies here.

Post Graduate Department of Bengali

The Department of Bengali started its glorious journey more than seventy five years ago. Although the Post Graduate (PG) section of the Department was established in the year 2014 to cater the needs of Post Graduate students in the field of Bengali Language and Literature, within a short period of time the PG section has been able to align itself with the rich history and legacy of the department.

At present the department comprises 9 full-time teachers (including 3 Associate Professors and 6 Assistant Professors) who, beside their research work, regularly contribute in academic journals.

The two-year Post Graduate course follows the Choice Based Credit System (CBCS) under the supervision of the University of Calcutta. The department offers Special Papers in Rabindra Jiban O Sahitya, Drama, Katha Sahitya. Apart from regular examinations, internal assessments are regularly conducted. Students are also encouraged to participate in departmental seminars, publication of magazine and cultural activities.

Highlights of the department :

Well-maintained departmental library, with books carefully selected and stored over the last 70 years to meet the academic needs of the students and teachers alike. New resources are added every year in accordance with fund allotted to the department.

- Modern teaching aids which include the use of audio-visual equipment, multimedia facilities and overhead LCD projector.
- Tutorial and remedial classes provide intensive academic coaching and enable students to overcome their weakness in certain areas of the curriculum.

Post Graduate Department of Psychology

An autonomous Post Graduation Course in Applied Psychology with 10 seats was initiated in the year 2015. Organizational and Environmental Psychology is offered as the special paper. The Choice Based credit system has been introduced under University of Calcutta from the academic session 2018-2019. At present the Department has five full time faculties and one non-teaching staff.

The Department conducts Workshops and Seminars based on both the syllabus and other than it as supplements for classroom teaching as well as for enriching the knowledge of students. Significant among them are the Workshops organized on the projective tests like Rorschach Inkblot Test and Thematic Apperception Test. Eminent academicians from other Colleges and Universities serve as the resource persons. The students are required to visit different industrial organizations as a part of their curriculum and are also supposed to take up internship in various organizations. They are to submit their dissertations at the

end of the final semester as a part of the evaluation process. The students present papers at the Departmental Seminars on a regular basis. They also participate in various Seminars and Workshops conducted by other Universities. The first batch of PG students from the Department has successfully completed their masters in the year 2017.

Highlights of the Department:

- 1) A laboratory equipped with Psychological test materials and instruments.
- 2) A well maintained Departmental library and book bank.
- 3) Modern teaching aids.
- 4) Scope for industrial visit
- 5) A Counselling Cell at the Department to cater to the psychological crisis of the students.

GENERAL INFORMATION

Identity Card

After admission a student is required to get an identity card signed by the Principal of the college, containing information about the student concerned. The identity card is a proof of her status as a student of Bethune College. The possession of this card entitles her to the rightful privilege as a student of this college and the use of library facilities of the college. The loss of college identity card should be reported to the college authority.

Code of Conduct

- If a student remain continuously absent for more than 10 days without prior permission or intimation her name may be struck off from the college register.
- Polite and respectful behaviour towards the teachers and non-teaching staff of the College and their fellow students is expected from a student of Bethune College.
- **RAGGING** in any form is a punishable offence. Any incident of RAGGING should be immediately brought to the notice of the Authority.
- Students are not allowed to use cell phones and other electronic gadgets during class lectures and practical classes. Use of cell phones is strictly prohibited in the examination hall.

- It is the responsibility of the students to keep the campus clean. The College Campus is a plastic-free zone. Littering is strictly forbidden and anyone found littering will have to pay a fine to be decided by the Principal.
- Students should take care of their personal belongings. Authority is not responsible for any loss of personal property.
- Students must go through the departmental and students' Notice Board as well as the college website regularly for information.
- Students must inform their guardians regarding Parent-Teacher Meetings when notified by the College.
- All the students of the College are expected to participate in college activities like sports and cultural programmes.
- Students must take note that the college campus and the library is under CCTV surveillance.

Rules relating to attendance

The College strictly abides by the attendance norms of the University of Calcutta as follows:

End Semester Examinations will be held for 80% of the total marks in each paper and Internal Assessment shall be for

Cultural Programme on Annual Prize Day 2019

Street Play on Annual Prize Day 2019

20% of the total marks of each paper/subject/module. 50% of the total marks assigned to Internal Assessment (i.e., 10 marks for a full paper of 100 or 5 marks for a Module of 50, as the case may be) will be assessed on the basis of Internal Examination and remaining 50% will be assessed based on the class attendance (6 marks for attending 60% or above but less than 75% of the number of lectures delivered; 8 marks for attending 76% or above but less than 90% of the number of lectures delivered; and 10 marks for attending 90% or above of lectures delivered and such attendance will be calculated from the date of commencement of classes or date of admission whichever is later).

Students with attendance below 60% cumulatively in all courses in a semester are not eligible to appear in that Semester Examination.

College Examination System

There will be no college examination like midterm and selection tests for students under the new choice based credit system. However to ensure continuous evaluation at the institutional level, the College has introduced a mid-sem examination in the middle of each semester.

Academic Calendar

The academic calendar, stating dates of important College events is distributed to the students at the beginning of each academic year, so that they can plan their activities well in advance. It includes dates of academic events like college examination and probable dates of university examination, publication of college results, parent-teacher meeting and schedules of form-fill up as well as extra-

curricular activities and competitions organised by the College.

Information Regarding Syllabus

At the beginning of each academic session, syllabus of each subject to be taught, both in Honours and Generic courses, along with module distribution is notified to the students by the respective departments.

Compulsory Excursions

As per rule of the University of Calcutta, Botany, Zoology and Psychology departments are required to take their students on excursions related to academic projects in their respective areas. Students studying these subjects at the Honours level are required to participate in these excursions. The place of excursion is decided each year by the department concerned. The charges of excursions are to be paid by the students separately. At least one faculty member accompanies the students on excursions.

Educational Tours

Besides the compulsory excursions, other departments also organise educational trips and excursions to places of historical and cultural significance, both near and far. Students are also taken to various symposium, seminars and workshops, research institutes and exhibitions pertaining to their subjects of study.

Departmental Seminar

All the Departments organize at least two departmental seminars in each Academic Year as a part of Co-curricular activities by eminent speakers in the respective fields. All the students are to attend the seminars of their respective departments mandatorily.
